Single Card Reading Worksheet

Focus

(Continued)

Nighttime Intention: Observe the card and state: "During my sleep cycle I continue to release in a way that supports my replenished sleep. I am open to any additional information through dreams or waking realizations. I activate my highest progression with [this topic and/or reading focus] and continue expanding with grace and ease." You may want to keep the card near you while you sleep, or leave it visible on a sacred space of focus or meditation.
